**** What to bring to camp ****

- **A Bicycle for training rides**, Bmx, Mountain Bike or 10 speed are all fine.
- Although meals will be provided and served in the dining hall, each cabin has a Fridge and microwave if campers would like to bring additional food or snacks. It is recommended that campers bring plenty of refreshments such as bottled water and sports drinks. Drinks and snacks will also be available for sale at the dining hall.
- Cabins have air conditioning. Beds have fitted sheets, but campers will want to **bring a sleeping bag or covers and a pillow.**
- There are full bathrooms and showers in the cabins but campers will need to bring their own bathroom supplies; **soap, shampoo and bath towels.** Toilet paper is provided.
- For sitting around the fire at night don't forget a comfortable **lawn chair.**
- General **tools** for doing minor repairs and maintenance. **Spare parts** such as tires, spark plugs, clutch levers, axles, tie rods, bearings and **air filters.** We have plenty of tools here to help you out if you have a major problem or forget a tool, but it's always best to bring some tools of your own.
- If you have an enclosed trailer that is great –bring it to hold all of your tools and parts we have plenty of room for you to park it.
- Plenty of clothes, plan for hot days and cool nights but be prepared for anything – the weather can be crazy here in the mountains.
- **Bring all the Riding Gear You own !** We do a lot of riding and gear gets dirty fast! We will do a laundry run for those that need gear cleaned mid week.
- A friend or two. The experience will be even more incredible sharing it with someone you know and ride with.
- A good attitude. Above all else, this is a camp for fun times and great riding experiences. Although the emphasis is on rider improvement and development we are all here to have a good time riding together.
- Nothing Valuable that will need to be left in the cabin ! **Any money you want a child to have Can be Held at the dining hall for them as Credit.**
