Cabin Rentals are booked and rented by the Day. The charge is \$20 per day per person. If you check in before dark you are charged \$20 for that day, and \$20 for the following day as long as you check out before dark on day 2. (Dark is defined as when our street lights at the park come on.)

Riding Fee's are additional to the cabin rental fee. Non riders are charged \$10 for their access to the park. Riders are \$40 for one day of riding, \$60 for two days of riding and \$80 for 3 days of riding.

Cabin Bookings require a \$200 deposit for the big cabin and for the rustic cabin. A \$100 deposit for above the rustic, the cabana or above the kitchen. Deposits are non refundable for any reason. Your deposit will be held until you are ready to check out, we will then inspect the cabin for any damage or misuse before returning the deposit.

Check the Rental you are booking and fill in the days you plan on being in the cabin. Keep in mind you are charged by the day not the night, that way you don't have to check out until dark on the second day. A Friday/Saturday/Sunday stay would be \$60, if you come in Saturday and leave Sunday its only \$40 – plus your riding fee's. No single day rentals on any of the cabins – if you only stay one night you get charged for both days \$40 total.
